WELCOME TO AMSTERDAM!

On behalf of the Organising Committee, it is my pleasure to invite you to the ESLAV-ECLAM-AAALAC Conference which will be held in Amsterdam, the Netherlands, on 17-18 June, 2024.

ESLAV and ECLAM represent the majority of European veterinarians working in animal research, and both are members of AAALAC International, which assesses and accredits animal care and use programs worldwide.

The scientific program will be based on the main theme:

“Quality in Animal Care and Facility Management “

About the audience

The topics of the Conference have been defined considering the broad target group represented by the three associations. About 250-300 participants are expected, including many senior decision-making persons in the field. The Conference is open to all personnel involved in the care and use of animals in research, such as technicians, veterinarians, researchers, Animal Welfare Body members, and Management staff.

The Conference will include a welcome reception in the exhibition area, providing entertainment and a wonderful opportunity to network with colleagues, meet old friends and make new ones in an informal atmosphere

A number of different sponsorship options are available in addition to the main exhibition spaces. We truly hope that you will find suitable options and participate in the event as an exhibitor or a sponsor.

The Venue

The venue of the Conference, the Zuiderkerk, is comfortably situated in the very heart of Amsterdam! It is a really outstanding place for a Conference, with a really unique atmosphere. As it is a church, the exhibition and lunches and poster area are all connected. Due to it all the exhibitors have the wonderful opportunity to listen to all lectures also.

More information about Zuiderkerk: <https://www.debazelamsterdam.com/venues/?lang=en>

Welcome to Amsterdam in June 2024!

On behalf of the organising committee,

Ngaire Dennison, ESLAV

Rafael Frias, ESLAV

Petra Seebeck, ECLAM

Stephan Zeiter, ECLAM

Javier Guillén, AAALAC International

Viola Galligoni, summer school of ESLAV-ECLAM2024

- Sponsorship & exhibition: eea2024exhibition@publicon.ee

ABOUT THE ORGANISERS

[The European Society of Laboratory Animal Veterinarians \(ESLAV\)](#) gives veterinarians a forum to discuss issues which concern them, in the field of laboratory animal science, in general and in Europe specifically. Find out more about ESLAV!

The objectives of the Society are to promote and disseminate expert veterinary knowledge within the field of laboratory animal science. [More information about the objectives of ESLAV.](#)

Contact: Ngairé Dennison - n.dennison@dundee.ac.uk

[The European College of Laboratory Animal Medicine \(ECLAM\)](#) certifies laboratory animal veterinarians by conferring the ECLAM diploma (Dipl. ECLAM). ECLAM is certified by the European Board of Veterinary Specialisation (EBVS) which additionally awards the title “EBVSTM European Veterinary Specialist in Laboratory Animal Medicine” to all active Diplomates. The Diploma and Specialist titles are the highest qualifications for laboratory animal veterinarians in Europe. Candidates must [successfully complete](#) a 1-year internship followed by a residency of 3 – 6 years and finally a written and oral exam. ECLAM joins forces with ESLAV in providing training opportunities to increase the competency and scientific progress in laboratory animal medicine. Find out more on our website: <https://eclam.eu>

Contact: Petra Seebeck - petra.seebeck@uzh.ch

[AAALAC International](#) is a private, nonprofit organization that promotes the humane treatment of animals in science through [voluntary accreditation](#) and **assessment** programs.

More than 1,100 companies, universities, hospitals, government agencies and other research institutions in 50 countries/regions have earned AAALAC accreditation, demonstrating their commitment to responsible animal care and use. These institutions volunteer to participate in AAALAC’s program, in addition to complying with all applicable local and national laws that regulate animal research. [More information about AAALAC International](#) .

- Sponsorship & exhibition: eea2024exhibition@publicon.ee

The sponsorship packages and exhibition booth prices come with a special feature: an exclusive elevator pitch on the main stage during the event program. Every participating company, regardless of their booth size or sponsorship level, will have a chance to take advantage of this opportunity. This session offers exhibitors a distinctive chance to present their products and services to a large audience, setting them apart from other companies at the trade show.
